Grading System / GPA

Columbia High School uses a weighted grading system to determine grade point average. Dual credit college courses and advanced high school classes are weighted at 1.1. Regular grade points are the same as numerical grade points. GPA is calculated on all state approved coursework taken in grades 9 - 12. For exemptions, please refer to the Student Handbook. GPA is figured at the end of the junior year and the end of the first semester senior year.

Explanation of Grades

A = 90 - 100

Community

Columbia High School is in West Columbia, Texas. The fact that the high school draws its student body from the towns of West Columbia, Brazoria, and Damon, increases the diversity of the learning community. This community is a collaboration of working professionals and skilled residents who play an active role in their students' education.

Motto and Vision

Catch the Challenge, Learn for Life!

A dynamic organization that empowers a community of learners who dare to dream, take risks, and develop new realities.

Mission

It is the mission of the C-BISD staff, working actively and cooperatively in partnership with students, parents or guardians, and other C-BISD constituents, to:

Prepare students to become responsible and productive citizens.

Achieve success and dignity by creating a community of lifelong learners.

Develop higher level thinking skills and foster creativity.

COME GROW WITH US !!!
